he use of carpets or rugs were once reserved as a mark of importance. They served as mats placed at the feet of Assyrian Kings and Persian Emperors and later as awnings over the thrones of European kings and Religious leaders. Tapestry rugs or "khilims" (rugs whose patterns are alike on both sides) are the oldest known to man, having begun some 2,500 years ago in Ancient Babylon or Egypt.

(Although pictures of Egyptian weavers have been found in unearthened tombs of pharaohs who ruled some 5,000 years ago.)

The following pages represent the finest collection of area rugs available today. This "Showcase Collection" has been put together by our own representatives from pieces gathered throughout the world. The showcase is separated into six sections:

**Flat Weave Figured Rugs** . . . features the "Pride of Kashmir" collection. These handsome rugs are handmade exclusively for Schumacher in the Himalayas, Kashmir, India. The subtle softness and depth of the delicate patterns are woven in a very fine crewel stitch of 100% wool.

**Handmade Pile Rugs** . . . figured and plain are represented by the Barcino and Prado collections which are handmade for us in Spain.

**Oriental Rugs** . . . Afghan, 100% wool handknotted in Afghanistan. The Badshah collection is of 100% wool pile from India.

**Shag Rugs** . . . feature the brilliantly colored Cathey Royale collection with their exciting swirl designs done in a multitude of color. Equally exciting is the geometric pattern blended beautifully in the Miramar group, handmade of 100% wool in Portugal.

**Hooked Rugs** . . . the Romany collection is cut and uncut needlepoint, 100% wool, handhooked for us in Japan. The earthy colors, the floral motif, the basic geometric patterns blend Middle Eastern influence with the unmistakably Rumanian concept.

**Machine Loomed Figured Rugs** . . . Kasal, 100% wool made in Holland on Gripper Axminster looms, brings deeply rooted colors that form a contrast and softness unlike any other . . . the obvious African-Arab influence is reflected in the Moorish colors and designs.

Our collection. A true "showcase" in the Schumacher tradition, representing the finest in quality, workmanship and detail. WELCOME.
